Persnol Profile

I am a fresher full stack developer with a passion for creating innovative web applications. I have a strong background in HTML, CSS, JavaScript, Node js, and Mongo DB. My goal is to create solutions that are both user-friendly and efficient.

Career objective

I am a recent graduate looking to pursue a career as a Full Stack Developer. With an educational background in Computer Science and strong technical skills, I am confident in my ability to become a valuable asset to any team. My goal is to leverage my existing knowledge and develop new skills to create innovative solutions that will help grow and improve businesses.
